Dear Parent/Carer

The Northamptonshire Police POLIT team strives to ensure the safety of children and we thank you in anticipation of your continued support in helping us achieve this aim.

We are currently investigating the following Facebook accounts:

**Sophie BROOKS**  
**Sophie SOFIAA**  
**Jessica SOFIA**  
**Jess JONES**  
**Jessica JONES**  
**Vanessa BROWN**

The purpose of this letter is not to alarm you but to ensure a thorough investigation. To this end, can you please ask your child whether they have been contacted by any of the above named accounts. If they have and if they have then gone on to communicate with any of them, please either let the school know, or contact Northamptonshire Police on 101 quoting incident reference number **134** of today's date, Tuesday, October 10 2017.

We are all aware of the need to continuously monitor and safeguard children in their use of the internet and social media.

It is imperative they understand the dangers of communicating with strangers who may not be who they say they are.

To this end, please find attached a leaflet to provide you with helpful guidance and details of how to access support.

Yours sincerely

DC 631 Karen Bailey
