

19th April 2017

Dear Parent/Carer

Re: RS Components Innovation Challenge

We have been invited to enter a team of Year 9 students in the RS Components Innovation Challenge being held on Monday 24th April at Rockingham Speedway. We will be competing against the other secondary schools in Corby in a competition that will require students to demonstrate their problem solving and innovative skills as well as working effectively together in a team.

Your child has been selected to take part in the day, transport will be by minibus, students will need a packed lunch and will leave school after breakfast and return during lesson 5.

If you have any further questions please contact Mrs Arnold at larnold@corbytechnicalschool.org or on 01536 213100.

Yours sincerely

Mrs A Reynolds
Principal
