Instrumental Tuition – Terms and Conditions

The following terms and conditions provide the basis on which the instrumental contract is agreed to. Please read the following before signing the contract.

- 1) The contract is ongoing. It may be terminated by giving a term's written notice.

Terms will follow the NMPAT academic year as follows:

- Autumn Term – 3rd September – 18th December
- Spring Term – 5th January – 24th March
- Summer Term – 12th April – 20th July

- 2) Non-payment of Tuition Fees will result in your son/daughters music tuition being withdrawn.
- 3) Lessons take place during normal class time. Any student wishing to have lessons must make every effort to catch up with any work missed. It is the student's own responsibility to do this.
- 4) If your son/daughter is loaned an instrument for the period of the lessons you will be required to arrange insurance for the instrument.
- 5) Students will be required to provide their own music books. These books will be specified by the member of staff providing the lessons. The school cannot make photocopies of music and hence is unable to supply music to students directly.
- 6) Failure to attend lessons on a consistent basis may result in the withdrawal of the offer of lessons by the school. The place will then be allocated to another student. This period would normally be three unattended lessons in any one term without good reason.
- 7) If the student is absent from the school on the day of lessons they should notify the designated member of staff as soon as possible.
- 8) Notification of any exam entry will be sent to you prior to any entry actually being made. Your consent for this will be requested first, before any exam entry is made by the school.
- 9) A reasonable amount of practice will be required during the week in order to maximise the benefits of these lessons. Support from parents with this practice will ensure better progress for your son / daughter.
