Dear Parent/Carer

Re: Year 11 History Intervention Session

As a school we are keen for all our students to perform to the best of their ability in the build up to their GCSE exams this year. In addition to the ongoing work completed in lessons we are also offering your child the opportunity to attend a History intervention session. During the session we will refresh topics that are covered in lessons and support your child to overcome any barriers, building on their knowledge and supporting them in achieving their target grade. Your child has been selected to attend this to address any gaps in their subject knowledge ahead of their GCSE exams.

The session will take place on the following date:

Date: Saturday 21st April 2018 Time: 11.00am to 1.30pm

We believe all students in Year 11 can do well and achieve in History and working together collaboratively we can support them during this important time. Please complete the reply slip below and return to school reception on or before Thursday 19th April 2018.

If you have any queries please do not hesitate to contact Miss Longhurst at elonghurst@corbytechnicalschool.org.

Yours sincerely,
