

24<sup>th</sup> April 2017

Re: Year 7 Trip to Festo Engineering

Dear Parent/Carer

We have the opportunity to take a group of 15 Year 7 students to visit the Applied Automation Centre at Festo Engineering in Northampton on Thursday 27<sup>th</sup> April. Students will have the opportunity to look at pneumatic engineering applications and robotics in the workplace.

This is a trip we have run several times before and know how much students get out of the visit, it greatly enhances their understanding of technology and provides them with an awareness of the opportunities available in engineering.

Students will leave school at 8.30am on Thursday and will return in time for lunch and the remainder of the school day. Students will travel by minibus and be accompanied by Mr Harley. Students will need to have breakfast at home before arriving at school.

If you would like your child to attend this event please complete the form below and return to school by Wednesday 26<sup>th</sup> April. As there is limited availability a waiting list will be generated. We will be running another visit to Festo later in the academic year, so anyone unable to attend this trip will get a chance in July.

If you have any further questions please contact Mrs Arnold at [larnold@corbytechnicalschool.org](mailto:larnold@corbytechnicalschool.org) or on 01536 213100.

Yours sincerely,

Mrs A Reynolds  
Principal

---

*Please return this form to Reception by **Wednesday 26<sup>th</sup> April.***

I give permission for my son / daughter to attend the visit to Festo on Thursday 27<sup>th</sup> April.

**YES** I give permission \_\_\_\_ (please tick)    **NO** I do not give permission \_\_\_\_
