

12<sup>th</sup> June 2017

Dear Parent/Carer

**Re: International Space Challenge**

We have been invited to enter a team of Year 10 students in the International Space Challenge being held on Monday 26<sup>th</sup> June at RAF Waddington in Lincoln. We will be competing against teams from other secondary schools across the county in a competition that will require students to demonstrate their problem solving and innovative skills as well as working effectively together in a team. It is a challenge combining both Science and German skills and will use their scientific/engineering knowledge to design an international space hotel and then create a marketing presentation in German.

Your child has been selected to take part in this event. Students will be transported in the school minibus, and will not require a packed lunch as lunch will be provided. We will leave school promptly at 8.00am and students will need to be in school by 7.45am at the latest. We will return to school at 4.30pm. There is no cost for this trip.

If you have any further questions please do not hesitate to contact Mr McRae Smith on 01536 213100 or at [jmcrasmith@corbytechnicalschool.org](mailto:jmcrasmith@corbytechnicalschool.org).

Yours sincerely,

Mrs A Reynolds  
Principal
