

2nd March 2017

Dear Parent/Carer,

R.E. Final Arrangements for MCM Comic Con – Birmingham – Saturday 18th March

Please find below the final arrangements for the MCM Comic Con trip taking place on Saturday 18th March.

Departure:

The coach and minibus will be leaving the school site at 8.00am. This will enable us to arrive at the Comic Con for 9.30am and hopefully bypass the queues for entry. We still expect to queue despite booking 'Priority Entry' tickets. Students can arrive at school in costume if they wish but I recommend that they wear overcoats that can be left on the coach / minibus during the event.

During the trip:

Students will be required to physically register with staff **every 45 minutes** during the Comic Con event. This registration will take place in the central aisle of the food court opposite the Universal Studies Stall (Stall number 111) and Manga Stall (Stall number 212) – students will be given maps prior to entry into the Comic Con.

Registration 1: Arrival / Entry – 10.00am

Registration 2: 10.45am – 11.00am

Registration 3: 11.45am – 12.00pm

Registration 3: Lunch - 1.00pm – 1.15pm

Registration 4: 2.00pm – 2.15pm

Registration 5: 3.00pm – 3.15pm

Students will also be given **three emergency numbers** (numbers below) for the staff who will be attending the Comic Con. In total six members of CTS staff will be attending the Comic Con and will be touring the event supervising the students. The school will ensure they have the mobile numbers of all students attending. Students can either bring a packed lunch or money in order to purchase food at the venue. Students will be **required to go around the event in groups no smaller than 3** (regardless of their age) – no student will be allowed to tour the NEC on their own.

Emergency Contact Numbers:

Mr Wilson – 07413 210028

Mr Bidwell – 07957 670938

Mr Cox – 07494 215058

Return:

It is our intention to leave the Comic Con at 4.00pm so that we can return to Corby Technical School for 5.30pm / 6.00pm. We would request that parents are present to collect their children at this time. We will contact all parents in the event of a delay.

If you have any further questions, please do not hesitate to contact Mr Wilson on 01536 213100 or at mwilson@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal
