

20th December 2016

Dear Parent/Carer,

R.E. Year 11 ICT – December/January Holiday Controlled Assessment Session

As part of your child’s GCSE ICT study, a Controlled Assessment needs to be completed that equates to 60% of their overall GCSE grade. Your child is in the final stages of completing this controlled assessment with a final deadline of the beginning of Term 3.

In order to give your child the best possible chance to complete the Controlled Assessment to the best of their ability, we will be hosting a holiday session that is focussed on students improving their work to the highest standard to give them the best chance of achieving their target grade and beyond.

Because of the nature of controlled assessment, work must be completed in school and with a teacher present. Students are not allowed to complete the work at home.

Sessions will take place on **Friday 6th January** between **9am and 1pm**.

Attendance of the ‘Holiday Intervention Sessions’ are **NOT** compulsory. Students who attend do **NOT** need to wear school uniform but we would advise them to wear comfortable clothes. Students will be given breaks throughout the day as well as access to the school water fountains. Students will also need to bring a packed lunch. Students may leave the school site during their lunch break if they wish to do so.

Please return the below slip below before Thursday 22nd December. If you have any questions regarding this session, please contact Mr Gourlay on 01536 213100 or at agourlay@corbytechnicalschool.org

Yours sincerely,

Angela Reynolds
Principal
