Re: Operating Theatre Live

Dear Parent/Carer

As part of the school's continuing commitment to Science we have secured several places for students to take part in an event called Operating Theatre Live held at Kettering Science Academy on Monday 26th March. Operating Theatre Live is a travelling school based medical program built and delivered by the UK's leading anatomist and teacher, Samuel Piri. Samuel and his team will convert Kettering Science Academy's school hall into the world's only portable operating theatre allowing students to get hands on with real anatomy in a clinical setting. Further information can be found at www.operatingtheatrelive.co.uk.

The cost for this trip will be £15 and includes entry to the event and transport to Kettering Science Academy for the day. Payments can be made via Wisepay on return of the reply slip. As places are limited, and due to the emphasis on Biology, the initial invitations will be made to those studying GCSE or A-Level Biology. Should places not be filled then the event will be open to students from other courses.

We will leave school at approximately 8.45am with an expected return time to school at 4.05pm, dependant on traffic. Students will be able to use the restaurant facilities at Kettering Science Academy and pay from their school funds. If students normally bring a packed lunch then they can take this with them.

If you would like your child to attend please complete the reply slip below and return to school reception, all payments must be made via Wisepay.

If you have any questions please contact Mr Finan at sfinan@corbytechnicalschool.org or on 01536 213100.

Yours sincerely,

Mrs A Reynolds
Principal

I/We give permission for to attend the Operating Theatre Live Trip on Monday 26th March 2018. We understand that the bus will arrive at school at 4.05pm and that our child will need collecting.
