Dear Parent/Carer

Year 11 March Break Subject Clinics

The school will open daily during the March holidays from 8am to 4pm. Students are more than welcome to use the school facilities for revision and school work. Students will need to sign in and out and supervision will be on an informal basis. Students do not need to wear school uniform and the normal behaviour and safety expectations apply. Students will need to bring their own refreshments or they can leave site for lunch. All food consumed in school will need to be done in our designated restaurant area.

In addition to this the school will also be running Holiday Subject Clinics during the weeks beginning Monday 6th March and Monday 13th March. These clinics will offer extra support and guidance with their programmes of study. It would be expected that a student attends a whole session where possible, although it is understandable that they may attend part-session if there is a clash. The sessions offered during the March break are as follows:
