

11th July 2017

Dear Parent/Carer

Re: Rutland Water Trip – Friday 14th July 2017

We are writing to you ahead of the trip this week outlining the departure details and what activities will take place on the day.

- All students must be in school for the normal time. Students will have breakfast before leaving school.
- We will leave school at 9.45am and students will be travelling by minibus.
- We will return before the end of the school day.
- Students are advised to dress accordingly for all weather, wear trainers and bring a waterproof jacket. Please ensure they have sun cream with them, students will be responsible for applying this.
- We will be on the Rockblok and high ropes course in the morning and then cycle round Rutland Water in the afternoon, at all times students will be supervised by staff members.
- Students must ensure they bring a packed lunch. Students can also be spending money if they wish, they will be responsible for their own money.
- Bring a back pack for your possessions.
- We have spoken with students today in assembly and we outlined our expectations regarding behaviour, they must follow all instructions from staff or the climbing instructors.
- Students are to stay together as a group throughout the day.
- All students must wear a cycle helmet while cycling, these will be provided on the day and students may bring their own if they wish to.

If you have any questions ahead of the trip please contact Mrs Arnold at larnold@corbytechnicalschool.org or on 01536 213100.

Yours sincerely,

Mrs A Reynolds
Principal
