Dear Parent/Carer,

As part of the Drama GCSE course students have to study various different aspects of theatre craft. As we move in to the final terms of their GCSE it is important for us to take advantage of any opportunities to develop student drama skills further in preparation for their final coursework pieces and their examination.

An opportunity has arisen for your child to attend a workshop at Brooke Weston Academy presented by 'Frantic Assembly' on Monday, 19th September. During this workshop students will be guided through a series of physical theatre and physicality activities devised by this nationally recognised drama group; this is a fantastic opportunity for our students to expand their knowledge and benefit from the expertise present. The cost for this workshop will be £16 per student – this will cover transport to and from Brooke Weston as well as the workshop itself.

Corby Technical School students who attend will be transported by school minibus and subsequently returned to school by minibus after the event. The workshop runs from 1.45pm to 3.45pm. The timings of the event mean that lunch slots at school will not be affected.

Students will be required to wear loose clothing befitting physical movement and activity, and will leave at the end of lesson three and return in time for the normal end to the school day. Students will be reminded that normal school rules will apply during this trip. As we will be using Brooke Weston's dance studio students will be expected to remove their shoes within this workspace. Please indicate your permission for your child to attend this trip by returning the slip below and make payment via WisePay (under 'Trips and Visits' section).

If you have any further questions, please don't hesitate to contact Mr Wilson at mwilson@corbytechnicalschool.org or 01536 213100.

Yours sincerely

Mrs A Reynolds
Principal
