

2<sup>nd</sup> February 2017

Dear Parent/Carer

**Re: Positively Mad Event**

I am writing to inform you of an exciting opportunity that is being offered to the parents/carers of all Year 10 and 11 students at Corby Technical School.

On Wednesday 22<sup>nd</sup> February we will be hosting a Study Skills session for Year 10 and 11 students within the normal school day. This will be delivered by a company called 'Positively MAD,' who have delivered Study Skills sessions before to our students. The overall aim is to assist students in developing an array of study skill strategies that they can apply to any of their GCSE option choices.

We have worked closely with 'Positively MAD' in crafting a parental talk on Study Skills, which we would like to invite parents and carers to attend. This will take place on **Wednesday 22<sup>nd</sup> February at 5.00pm** in the George Weston Theatre.

This talk is specifically designed to give you a greater insight into the study skills presented to your child in the day and to help arm you with the skills to support them with their GCSE programmes of study. If you would like to come to this event can you please complete the reply slip attached below and return it to the school reception by Monday 20<sup>th</sup> February 2017.

If you have any further questions please do not hesitate to contact Mr Strickland on 01536 213100 or at [sstrickland@corbytechnicalschool.org](mailto:sstrickland@corbytechnicalschool.org).

Yours sincerely,

Mrs A Reynolds  
Principal

-----  
I/we would like to attend the 'Positively MAD' parental talk on Wednesday 22<sup>nd</sup> February 2017.
