Dear Parent/Carer

Are you interested in training to become a primary or secondary school teacher?

The Brooke Weston Trust schools are part of a growing number of schools leading the way for more school-centred teacher training. This is really important to us because it means that we can choose the very best talent and develop them into the very best teachers. Being able to select who we train as teachers helps us in delivering the best outcomes for the students at Corby Technical School.

The Brooke Weston Teaching School has vacancies now to start training from September 2017 and we would be very interested to hear from you if you are thinking of becoming a teacher, or know someone who is. We are looking for people who have (or will have) a degree, a passion for teaching and a desire to inspire young people to fulfill their potential.

We have vacancies in the following subject areas:

Biology
Chemistry
English
Geography
History
Mathematics
Modern Foreign Languages
Physics
Primary

We would welcome the opportunity for you to come and have a chat with us about the exciting teacher training opportunities available. The Director of Brooke Weston Teaching School Alliance, Cristina Taboada-Naya, can be contacted at ctaboada@brookeweston.org if you would like any further information. We can also offer you support and guidance on how to complete a successful application form and offer you school experience if you want a taster of what teaching could be like.

For further information on becoming a teacher, please visit our website: www.brookewestonteachingschool.org

Yours sincerely,

Mrs A Reynolds
