Dear Parent/Carer,

Re: Year 8 Sport Science Trip to The University of Bedford

As part of Corby Technical School's dedication to ensuring students experience a range of opportunities both inside and outside the classroom, an opportunity has arisen for the school to offer students to visit the Sports Science department at the University of Bedford. The trip is aimed at those students who have an interest in GSCE PE or pursuing a future in the Sports Science industry.

Students will travel to Bedford by school minibus, leaving at 8.15am (please ensure your child is in school by 8.00am) where they will take part in a variety of coaching sessions until lunchtime. After lunch students will have a tour of the Sports Science facilities and the opportunity to discuss careers pathways within the Sport industry. Students will return to school for period 5.

There is no cost for the trip, please return the reply slip below to school reception by Wednesday 21st February. Students will need to have breakfast before arriving at school and will be having lunch on the University campus, they will therefore require a packed lunch. Students are required to wear full school uniform.

If you have any further questions, please don't hesitate to contact Mr Rogers at drogers@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
Principal
