Dear Parent/Carer

INVITATION TO SESSION 6 SUBJECT CLINIC

As a school we run several session 6 subject clinics after school to offer extra support and guidance for our students. Most of these sessions run as drop-in clinics whereby any student can choose to attend. However, there are times when a student is identified as needing additional support and it would be in the best interests of that student to attend a session 6 subject clinic. At these times we would appreciate the support of parents and carers to ensure that the needs of the student are met.

Your child has been identified as needing this additional support in the subject and we would like them to attend at the times outlined below.

The session to be held on Friday 10th March is during the school holiday so your child will need to bring a packed lunch. They will NOT be required to wear school uniform.

If you have any further question please do not hesitate to contact Mr Crook on 01536 213100 or at ncrook@corbytechnicalschool.org.

Yours faithfully,

 Angela Reynolds
 Principal
