Dear Parent / Carer

Re: NSPCC Number Day

We are excited to be supporting the NSPCC by taking part in Number Day.

Number Day is a fun-packed event, where schools take part in a range of exciting maths activities to raise money and make a real difference to the lives of vulnerable children across the UK.

This year we will be raising money for the NSPCC by doing a sponsored '**Numberathon**'. Students will be asked to set themselves a target for how many times tables questions they can answer in 3 minutes. This will be a sponsored event and it would be great if you could support our students by sponsoring them or making a donation to the NSPCC. Students should only be asking for sponsorship from people that they know well. The event started on Monday 5th February with a teacher competition and will continue for students in tutor time throughout the week. We would like all monies to be in school by Tuesday 13th February so that we can send it off to the NSPCC as soon as possible.

The NSPCC urgently needs funds to protect even more children from abuse and neglect. With your help and by your child taking part in Number Day, the NSPCC can continue to be there through its projects and services including ChildLine – the UK's free, confidential 24-hour helpline and online service for children and young people in distress or danger, as well as the NSPCC's helpline for adults who are concerned about a child. We hope your child enjoys Number Day and that together, we can raise as much money as possible for the NSPCC. The sponsor form is overleaf.

Thank you for your support.

Yours sincerely,

Mrs A Reynolds
Principal
