13th September 2016

Dear Parent / Carer,

Corby Technical School – Sixth Form Information Evening

I am delighted to inform you that on **Thursday 6th October 2016** Corby Technical School will be hosting our Sixth Form Information Evening.

We would like to invite all parents/carers of our **Year 11** students to attend and discuss the exciting opportunities that are available to our students.

The evening will commence at **6.00pm** in the **George Weston Theatre** with a presentation by the Senior Leadership Team. This will be followed by a tour of the school where you will have the chance to meet with subject teachers and learn more about our curriculum offer. Staff will also be available to address any questions that you may have about the Sixth Form experience at Corby Technical School.

If you have any questions please do not hesitate to contact Mr Strickland, Vice Principal on 01536 213100 or at sstrickland@corbytechnicalschool.org .

Yours sincerely

Mrs A Reynolds
Principal
