Dear Parent/Carer

Re: English Literature Poetry Revision

With the GCSE English Literature exams fast approaching, students have been using lesson time in recent weeks to prepare for the questions and develop effective strategies for each of the papers. However, with a number of texts to revise, we would like to offer some additional support to aid students' consolidation of knowledge.

We would therefore like to invite your child to a Brooke Weston Trust Poetry revision session on **Monday 14th May**. This session will be held for students from Brooke Weston Academy and Corby Technical School and has been designed to add to and develop their existing knowledge, examine the requirements of high level literature responses and allow students to collaborate and share ideas prior to the exams.

The session will run from 1.00pm to 3.45pm. Students should aim to arrive at Corby Technical School by 12.45pm at the latest and any students being collected following the session will need to be collected promptly at 3.45pm.

Please confirm your child's attendance to the session by completing the slip below and returning to Miss Connellan.

If you have any further queries please contact Miss Connellan at econnellan@corbytechnicalschool.org.

Yours Sincerely,

Mrs A Reynolds
Principal
