

15th January 2018

Dear Parent / carer

Re: Festo Engineering Trip

Your child has recently taken part in our 'Design a Robot' competition and I am pleased to inform you that their entry has been selected, this means that they are eligible to take part in a visit to the Applied Automation Centre at Festo Engineering in Northampton on Thursday 18th January. Students will have the opportunity to look at pneumatic engineering applications and robotics in the workplace.

This is a trip we have run several times before and know how much students get out of the visit, it greatly enhances their understanding of technology and provides them with an awareness of the opportunities available in engineering.

Students will leave school at 8.30am on Thursday 18th January and will return in time for lunch and the remainder of the school day, travel will be by minibus and they will be accompanied by Mrs Arnold.

If you would like your child to attend this event please complete the form below and return to school by Wednesday 17th January. If you have any further questions, please contact Mrs Arnold at larnold@corbytechnicalschool.org or on 01536 213100.

Yours sincerely,

Mrs A Reynolds
Principal

*Please return this form to Reception by **Wednesday 17th January.***

I give permission for my son / daughter to attend the visit to Festo on Thursday 18th January.

YES I give permission ____ (please tick) **NO** I do not give permission ____
