

14<sup>th</sup> October 2016

Dear Parent/Carer

**Continued Professional Development Research**

As part of Corby Technical School’s dedication to continually improving the standard of teaching, we will be undertaking a six-week departmental research project in your child’s GCSE PE Theory lessons, focusing on pupil engagement. This will commence on Friday 4<sup>th</sup> November 2016, and finish on Friday 9<sup>th</sup> December 2016.

This research will involve written observations carried out by another member of staff during lessons, as well as pupils taking part in individual and focus group interviews each week in order to review the effectiveness of the lesson. Pupils names will not be used in any circumstances and anonymity will be ensured.

If you do not want your child taking part in this research for any reason please complete the slip below and return to school reception.

If you have any further questions, please contact Mr D Rogers on 01536 213100 or at [drogers@corbytechnicalschool.org](mailto:drogers@corbytechnicalschool.org)

Yours sincerely,

Mrs A Reynolds  
Principal
