

10th April 2018

Dear Parents/Guardians

Engineering Education Scheme Celebration and Assessment Day - 4th May 2018

As you are aware your son has been taking part in the Engineering Education Scheme. The project is a real life engineering project set by Tata steel and mentored by one of their production engineers. The final stage of the project involves the students presenting their project to a panel of experts and creating a display stand for an exhibition at Cranmore Park (West Midlands). If successful, they will be presented with the award for successful completion. There is no cost to the student for this trip.

Staff and students will travel by minibus leaving school at 7.30am, it is anticipated that we will return at around 5.30pm (dependant on traffic). Please ensure your child is at school by 7.15am. Students will need to have breakfast at home and a packed lunch will be provided on the day. Drinks and snacks will be available to be purchased throughout the day at the venue.

Please complete the reply slip below and return to school reception by Friday 20th April 2018.

If you have any questions please contact Mr Godfrey at dgodfrey@corbytechnicalschool.org or on 01536 213100.

Yours sincerely,

Mrs A Reynolds
Principal

Reply Slip - Engineering Education Scheme

Student's Name Tutor Group

I/we grant permission for our son to take part in the trip to Cranmore Park for the Engineering Education Scheme on Friday 4th May 2018. We will ensure that they are at school by 7.15am.
