<p>Week beginning 8<sup>th</sup> June</p>	<p><b>Understanding the basics of line, shape and tone.</b></p> <p>In this lesson we are going to make sure we all understand the basics of line, shape and tone. We will practise ‘weight of line’ this means how dark it is or how hard we are pressing. We are going to focus on using basic shapes for our work. These basic shapes will be the basis for most if not all drawings we do. We will also add a variety of tones using shading techniques.</p>	<p><a href="https://www.thenational.academy/year-7/art/understanding-the-basics-of-line-shape-and-tone-year-7-wk1-1#slide-1">https://www.thenational.academy/year-7/art/understanding-the-basics-of-line-shape-and-tone-year-7-wk1-1#slide-1</a></p> <p>Follow the instructions and guidance to watch the video and work through the tasks.</p> <p>Submit a photo or screen shot of the final quiz results to your teacher on teams – these will be reviewed but not marked</p>
