

24th March 2023

Dear Parent/Carer,

As part of Corby Technical School's dedication to ensuring students are furnished with all the relevant skills and information to thrive in their academic studies, and to provide ongoing support for Year 11, we have organised a number of Subject Conferences. Running on a Tuesday, Wednesday, or Thursday evening from 4:00pm until 6:00pm, we would strongly recommend all students attend for the subjects they study. Conferences are in place for English, Spanish, Geography, History, Sociology and Science. The schedule and dates can be found below:

Date	Subject
Tue 28 March	History
Wed 05 April	Sociology
Wed 12 April	MFL
Wed 19 April	Science
Wed 26 April	English
Wed 03 May	Geography
Wed 10 May	English

The subject conferences will consist of exam walkthrough's of each paper and a review of the learning pupils have undertaken over the past two years. These will occur in the George Weston Theatre with individual exam tables provided to mimic the GCSE Exam. Refreshments will also be provided for pupils who attend, to support them in this extended time at school.

The school will continue with a programme of support throughout Term 4 which can be reviewed on our website. As part of this we will continue to celebrate the success of the students, provide further focus on exam preparation and well-being. We are extremely proud of our Year 11 students and over the course of this year we have seen them become more focused on their learning, growing in confidence and rising to the many challenges that the examination 'season' brings. May this commitment continue!

If you do have any questions about these conferences, please do not hesitate to contact me at school, jforeman@corbytechnicalschool.org

Once again thank you for your support in this matter,

Kind regards,

Mr. J. Foreman.

Associate Assistant Principal – Raising Standards Lead – KS4.
