Revision activity Number 1	<p>Use of Maths Genie – Exam-Style Questions</p> <p>Log into Maths Genie and click on "GCSE Revision". This website contains a list of GCSE topics, sorted by grade. Choose a topic based on your predicted and target grades from your most recent report, or your most recent mock exam. For example, if you have achieved a Grade 3, you may wish to look at topics which are Grade 4 or 5.</p> <p>Clicking on the topic name will take you to a series of support materials and videos to help you with the topic. There are also exam-style questions as well as worked solutions.</p> <p>Complete the exam questions on your chosen topic. Use the worked solutions to mark your work. If you are unsure, and have reviewed the topic videos, ask your class teacher for support.</p>
