

5th June 2018

Dear Parent/Carer

Re: Games Workshop – Warhammer Club

Your child has signed up to participate in our Games Workshop Warhammer Club.

During the club, members will learn how to build and paint the models, which requires the use of tools, glue and paint. We require permission for your child to use these under supervision. We may also document these sessions and the progress your child makes with photographs. These will occasionally be shared with Games Workshop (if your child is happy) for use in an international school's newsletter and other publications.

The club will meet weekly on Tuesdays and finishes at 5pm. On occasion longer sessions will be run until 6pm but your child will be informed the week before.

Should you have any questions about this activity, please contact Miss Kidner on 01536 213100 or at jkidner@corbytechnicalschool.org. Warhammer is a hobby that engages young people with fun games and collectable models. Further information is available at www.games-workshop.com.

Yours sincerely,

Mrs A Reynolds
Principal

REPLY SLIP – Please return to Miss Kidner

Child's Name _____

Form Group _____

I give my permission for my child to attend the Warhammer Club. I also give them permission to (please tick):

- Have their photograph taken during club sessions
- Use tools under supervision
- Use super glue and plastic glue under supervision
- Travel home alone after the club (if applicable)
