

24th June 2020

Dear New Parents and Carers,

CTS INTRODUCTION VIDEO

As the summer term is coming to a close, we are aware that most year 6 children would be preparing for transition to their new school. Sadly, this year we will not have the opportunity to invite our new students into school but we are pleased to be able to share this [video presentation*](#) to introduce some of our key staff who will help them through their transition. We would be grateful if you could share this video with your child and at the end of the presentation there is an opportunity for our new students to ask any questions. We would welcome their feedback and hope to be able to answer some of their queries in later correspondence. The link to the feedback/query form can be found [here*](#).

In previous years, new students would receive a booklet on transition day advising them and their parents of some useful information particularly around uniform, school standards and expectations. We have made this booklet available online [here*](#). We will be providing further transition activity for students and next week we will be writing to you with all of these details.

In the meantime, if you have any particular queries, please do get in touch on enquiries@corbytechnicalschool.org.

Yours sincerely,

Angela Reynolds
Principal
