New Year 7 Transition – Parent Information Evening

Dear Parent/Carer,

We are looking forward to welcoming your child to Corby Technical School in September. As part of our transition process, we would like to invite you and your child to an information evening on **Thursday 8th June 2023**. The session will include an introductory presentation, tour of the school and our uniform supplier will be available so that you can try on uniform and make purchases if required. You may choose to visit the uniform supplier directly at a time convenient for you, please see further details on our school website [here](#). Before making any uniform purchases, please read our uniform guidance carefully which highlights our expectations for our students.

Space is limited so we are only able to make space for a maximum of three family members including your child. If the time you have been allocated is inconvenient, please contact the school at enquiries@corbytechnicalschool.org and we will endeavour to accommodate your requirements.

In addition to our information evening, we can confirm that transition day will be on **Friday 14th July 2023** between 9.00am and 3.00pm. This will give your child the opportunity to meet with other students who will also be joining Corby Technical School in September. Students should wear a plain white shirt and their usual school skirt or trousers. Corby Technical School will provide all learning resources needed throughout the school day. **Please ensure your child brings a packed lunch with them.** We will write to you closer to the time with more detailed arrangements.

Lastly, we still have some administrative tasks to complete, if you have not yet completed our data collection sheet please do so by Wednesday 31st May 2023, the link can be found [here](#). Additionally, there is some further information that we request you review:
