Dear Parent/Carer

Year 8 Residential – Changes to dates and timings

Unfortunately, we have been advised by PGL, (the company facilitating the Year 8 residential) that they are now unable to accommodate our visit to Caythorpe from 4th May – 6th May, due to staffing difficulties at the Centre. We know that this is disappointing for our students who were looking forward to this exciting trip. The good news is that we have managed to secure an alternative date and venue. The residential is now planned for **Friday 17th June to Sunday 19th June** at the PGL centre in Liddington, Wiltshire. Students have been informed of this change in a meeting today.

The new timings are:

- **Friday 17th June** – students to arrive at their normal time (before 8.45am). There will be time for students to have breakfast at school before coaches leave later that morning.
- **Sunday 19th June** – students are due to return to Corby Technical School at 4.30pm.

We do hope that all students will still be able to attend on the alternative dates. If your child is still able to attend, your payment schedule will remain the same and there is nothing further you need to do. However, if your child is not able to attend, please contact the school at enquiries@corbytechnicalschool.org and we will arrange a refund for you. Please notify us of any withdrawals from the residential by Friday 22nd April. We will not be able to offer any refunds after this date.

We know that students will be tired following such a fun and exciting weekend, however, there is plenty of time for students to rest on Sunday evening and all students are expected to be in school on Monday 20th June at 8.45am.

We do apologise for the change in arrangements, which is very unusual, and we hope you appreciate that this is out of our control. If you have any questions, please contact the school via the enquiries email address. We will contact you again shortly with further information and we will be updating the information on the school website to include the new venue along with a kit list and some FAQ's, you can access these [here](#).

Yours sincerely,

Mrs L Arnold
Vice Principal
