

10th July 2024

Year 13 Results Day Arrangements

Dear Parent/Carer

I am writing to inform you of the arrangements for the A-Level results day. These will be available for students to collect from Corby Technical School on **Thursday 15th August 2024** between 8.00am and 9.30 am. Staff will be on hand to offer further guidance and support should it be needed, but if you have any questions about this prior to results day, please do not hesitate to contact the school via enquiries@corbytechnicalschool.org.

If students are unable to collect their results in person, they can provide us with a signed letter, or an email from your school or personal email address to exams@corbytechnicalschool.org giving consent for a parent/carers to collect their results. This person must bring proof of identity with them. Please note that without the student's written consent, the school will not be able to give their results to anyone else. If you are going to be away on results day then please make these arrangements now, as we will be unable to accept instructions by telephone on the day.

If students (or parents/carers) have recently changed their address, telephone number or email address please let us know in case we need to contact you during this period.

UCAS and Destinations:

If students are seeking an alternative to university and have not yet finalised these plans, we would encourage them to continue to work with Mrs Lomas. She can be contacted via careers@corbytechnicalschool.org.

Several members of staff will be available to support students with their UCAS and destinations questions on results day. Students will need to ensure they have spoken with our staff team before leaving on this day, to inform us of their chosen destination and allow us to offer any help with clearing etc.

Finally, I would like to thank you for your continued support throughout the years your child has spent at Corby Technical School. It has been an absolute pleasure to watch them grow and develop during their time here, and as they move on to their next phase, we wish them all the best. Please encourage them to join our alumni programme and keep in touch with the school, as we love to hear about their accomplishments.

Yours sincerely,

Mrs A Reynolds
Principal
