Strategy

# HOW?

## 1. How am I going to revise/work?

Here you have to be specific about the how (what strategy you are going to use) and also what you are going to revise. This means identifying specifically the topics you are going to cover.

# TIME?

## 2. How long am I going to revise/work for?

Be very clear about the time. If you are doing active revision this shouldn't be any longer than two hours. Remember to build in short 5 minute breaks every 25 minutes.

# TEST!

## 3. How will I know if I've made progress?

How are you going to test yourself? If you just sit passively reading your notes you will have no idea if you have made any progress, so you'll need to test yourself in some way.
