Year 11 November Examinations

Dear Parents/Carers,

We have been delighted with how well students in Year 11 have started this new year and the work and commitment they are showing to their studies. Students have been completing assessments and NEA (previously known as coursework) and we are very proud with how well they are applying themselves.

As part of our ongoing assessment of students, and on the back of assessments completed at the end of Year 10, we are now at the stage of further assessments in Year 11 to feed into our monitoring of progress and the next steps that need to be taken to ensure excellent outcomes for all students.

During Year 11 students will complete assessments in all subjects. Assessments involving the whole cohort take place in the Sports Hall under exam conditions. This ensures students are equipped with the skills to undertake their final examinations at the end of Year 11. In other subjects, exam conditions will apply, but assessments will be completed in the classroom during timetabled lessons.
