

1<sup>st</sup> November 2022

Dear Parent/Carer,

**Re: Year 7 Medical Maverick Workshop**

As part of our career offering, Year 7 students will be taking part in a Medical Maverick workshop taking place at Corby Technical School on Friday 11<sup>th</sup> November 2022.

The interactive workshop surrounds careers in health. Students will get to test their skills with a wide range of mock medical equipment whilst they learn about careers in health care.

Medical Maverick's advise students there are more careers in this field than a doctor, nurse or midwife and that there are many roles that a grade 9-4 student would be able to achieve.

The workshops are taking place in school, during normal school hours and there is no cost to parents/carers.

The Medical Maverick team have asked that all parents/carers complete the Microsoft form by Tuesday 8<sup>th</sup> November 2022, which you can find by clicking on this link: <https://forms.office.com/r/rJXauX8bX3>

If you have any further questions, please do not hesitate to contact me at [sstevens@corbytechnicalschool.org](mailto:sstevens@corbytechnicalschool.org).

Yours sincerely,

*Steph Stevens*
