Dear Parent/Carer

Re: Year 12 – Reports

Your child's report has been emailed to you today. This first report details your child's attitude to learning in all subjects studied as part of their curriculum. You will receive a more detailed report at the end of the academic year detailing the progress your child is making in their studies, alongside comments on their attitude to learning. If you have questions or concerns, please contact your child's tutor. Details of these can be found [here](#).

Year 12 Progress Evening

There will be a Year 12 Progress evening, and this will be held on Thursday 2nd February 2023. A letter will be sent to you with further details of the evening and information on how to access the parents evening booking system. Please keep these details for future reference.

Thank you for your continued support.

Yours sincerely,

Mr A Gourlay
Assistant Principal
