

14th December 2022

Dear Parents/Carers,

Year 12 Additional PE Session

As part of Corby Technical School's dedication to ensuring students experience a range of opportunities both inside and outside the classroom, we are able to offer an additional PE lesson for Sixth Form students on a Friday afternoon between 2.00pm and 3.00pm. The purpose of these sessions is to furnish students with the opportunity to establish exercise routines that can continue throughout their life. We have created a working partnership with Corby International Swimming Pool and during this session, students will travel to the swimming pool and have the option to either swim or use the gym facilities.

The first session is Friday 16th December and students will walk with members of staff or travel by minibus to Corby International Swimming Pool, we will be leaving school at 2.05pm so it is important that students are in school reception ready for a prompt departure. There will be lifeguards and gym instructors along with Corby Technical School staff to support students should it be needed. Students will be dismissed from Corby Swimming Pool at 3.00pm. If students would like to access the facilities after 3.00pm, they are welcome to do so, but school staff will return to Corby Technical School at 3.00pm.

There is a cost for students and the payment is £3.50 per session, this will be paid directly to Corby International Swimming Pool.

If you are happy for your child to attend these sessions, please give your permission via your child's Wisepay account.

If you have any further questions, please do not hesitate to contact Mr Rogers at drogers@corbytechnicalschool.org.

Yours sincerely,

Mr K Fitzpatrick
Assistant Principal
