

6th November 2018

Re: Skills Show, NEC Birmingham, 15th November 2018

We are intending to take all year 10 students to visit the skills show at the NEC in Birmingham on Thursday 15th November. The Skills Show is the nation's largest skills and careers event that helps to shape the future of a new generation, students will have opportunities to find out information about a wide range of careers and talk to experts in those fields. Having visited last year we know that this will inspire our students to discover the latest training, education and career opportunities.

To give you an idea of the scope of the event I have included below a brief outline of the four areas they will be able to visit

- Construction and Infrastructure
- Health, Hospitality and Lifestyle
- Digital, Business and Creative
- Engineering and Technology

Travel to and from the NEC will be by coach and within the school day, students will have the opportunity to have breakfast at school prior to leaving but will need to take a packed lunch with them. There is no charge for the visit. Students are required to wear full school uniform and students will be reminded that normal school rules in regards to behaviour and conduct will apply during this trip.

We expect all students to take part in this important visit, please indicate that you give your permission for your child to attend by completing the form below and returning to reception on or before Tuesday 6th November 2018.

Yours sincerely,

Mrs A Reynolds
Principal

I give permission for.....(name of student) to attend the Skills Show on Thursday 15th November.

I will ensure that they have a packed lunch for the day
