Dear Parent/Carer

Year 11 Exams information

As we approach the end of term, I wanted to write with further detail about the organisation for year 11 students over the holidays, and for next term.

Holiday Sessions

The school will be open during the May holidays for additional study sessions and general revision. For study sessions, it would be expected that a student attends a whole session where possible, although it is understandable that they may attend part of a session if there is a clash with an examination. Students will need to sign in and out at reception. Students do not need to wear school uniform if they are only coming in for a support session or revision.

Breakfast (morning exam) and lunch (afternoon exam) will be provided only for students in an exam. Students can bring in their own food, but all hot food and drink must be consumed in our designated restaurant area. In addition to the revision sessions, students are also welcome to attend school to use our facilities between 8.00am and 4.00pm during the holidays. Students will be permitted to come and go as they please for general revision and supervision will be on an informal basis, but students must stay in designated areas of the school. The normal behaviour and safety expectations apply. The revision sessions offered during the May break are in green below:

GCSE EXAMINATIONS taking place during the holiday

All pupils have now received a personalised Exam Timetable that includes their seat number and highlights any clashes of exams. **Students should arrive by no later than 8.30am for a morning examination and by no later than 12.30pm for an afternoon examination.** School will be open from 8.00am on examination days and a complimentary breakfast/lunch will be provided for students. It is vital that students arrive on time for their examinations. **If they have an examination, then pupils must wear full school uniform.** If there are any issues on the day, for example, an unexpected road closure that will make a student late, please call reception as soon as possible on 01536 213100.

Next term

All students are expected to attend school as normal after the holidays. Students will still be welcome to use our facilities after-school until 5:00pm on a Tuesday to Thursday to revise. Where students have completed a full course and all exams e.g. Art, arrangements will be made for students to use that lesson time for independent revision.

Results Day

Results Day for GCSE examinations is Thursday 24th August 2023. More details will follow towards the end of the examination period.

You will find all this information as well as revision support resources on our website [here](#). If you have any further queries, please contact Mr Foreman, Raising Standards Leader for KS4 via enquiries@corbytechnicalschool.org.

Yours sincerely,

Mrs A Reynolds
