

9th May 2023

Dear Parents/Carers,

Thank you to all those of you who attended our **Now and Next** evening last week. It was fantastic to see so many of you in person, finding out about ways in which you can support your child through their GCSEs and beyond. If you were unable to attend this event, we have made the PowerPoint available [here](#). If you have any queries regarding the content of this event, please contact Mr Foreman.

As mentioned on the night, some of the parents and carers that know our school the best, we are keen to gather your thoughts and feedback and have therefore created a survey for you to complete. This anonymous survey is designed to give you the opportunity to communicate your thoughts and ideas with the school. We will value this feedback highly, as we understand the unique perspective you have on your child's experiences of school, and we will be using the information to shape future actions and priorities for the school community.

There are four sections for you to complete:

- **About your child** – some quick questions to support our analysis
- **Curriculum** – questions about what your child learns at school
- **Enrichment and Personal Development** – questions about co-curricular activities, trips, and the ways in which the school develops students' character
- **Your child's wellbeing** – about the provision in place at school to support your child's health

We would really appreciate it if you would take the time to complete this by clicking [here](#). As this survey is anonymous, if you would like to discuss any of this in more detail, please contact enquiries@corbytechnicalschoo.org.

Many thanks for your continuous efforts in working alongside us support your child.

Yours sincerely,

Mrs A Reynolds
Principal
