

6th April 2023

Dear Parents/Carers,

Thank you to all those of you who attended our Options Evening in school last night. It was fantastic to see so many of you in person, finding out about the work your children have been completing in school and supporting them in choosing their GCSE options. It was also wonderful to see so many parents and carers engaging with the workshops that were put together in response to the requests you made on our recent survey. We hope these events provided useful information for you, as we know that the connection between the school and home is so important for our students.

If you were unable to attend this event in person, you will find lots of information in the KS4 Options section of our Curriculum page on the school website [here](#). Within this section, there is an online version of the PowerPoint that was delivered, as well as a digital copy of the options booklet, and videos with detailed information on each of the courses offered.

The online options form will be released in the morning on Friday 7th April directly to students via Satchel One and in their school e-mail inboxes. The following questions will be asked in the survey:

The final deadline for completion of the options form to be completed will be Friday 14th April.

As explained during the Options Evening, we endeavour to ensure that the curriculum choices for all students ensure a broad curriculum whilst strengthening their opportunities. The work required to ensure that this is done effectively takes time and we endeavour to make students and parents aware of final options decisions next term. The full details of this process are detailed in the narrated presentation on our [website](#).

We would like to take this opportunity to thank parents for their support during the options process. This can be a difficult decision for your children to undertake and your engagement with our options information will ensure that they have significant support both at school and at home as they navigate this process.

If you have any further queries regarding the options process, please do not hesitate to contact Mr Gourlay via enquiries@corbytechnicalschool.org.

Yours sincerely,
