

23<sup>rd</sup> June 2023

**Re: Year 11 Prom**

Dear Parent/Carer

Our Year 11 Prom will be held on Thursday 29<sup>th</sup> June 2023 at the Holiday Inn, Geddington Road, Corby. This is an exciting event for our Year 11 students and will for some students, mark the end of their journey with us here at Corby Technical School and the end of the GCSE exams period.

Students should arrive between 6.30pm and 7.00pm. We have school photography to capture the student's arrival and have arranged for formal photography to take place prior to the meal. A complimentary photograph will be taken of your child, this can be a picture of themselves or with a friend/group of friends. If your child wishes to purchase additional photographs on the night these will be available at a cost of £3 each and will come in a presentation frame.

Dinner will be served at 7.30pm and a bar will be available selling soft drinks only. The Holiday Inn is a cashless hotel so bank cards will need to be used to purchase any drinks. The Prom will finish at 10.30pm so please ensure your child is collected from the venue promptly at this time.

Parents/carers are more than welcome to join us as the students arrive. Please be aware that there will be limited parking at the entrance to the hotel, and we ask that you are mindful of the students arriving in cars. This will allow the photographer to focus on the students as they arrive and capture the moment as a lasting memory for the students.

Please inform your child that normal school expectations in regards to behaviour will be expected from all attending and we ask that you provide an emergency contact number should this be required, please email this information to Miss Carr via [enquiries@corbytechnicalschool.org](mailto:enquiries@corbytechnicalschool.org).

If we believe your child is under the influence of alcohol or vaping, they will **not** be permitted into the Prom. We want to ensure everyone attending the Prom has a safe and enjoyable evening.

If you have any further questions, please contact Mrs Morgan via [enquiries@corbytechnicalschool.org](mailto:enquiries@corbytechnicalschool.org)

Yours sincerely,

Mr k Fitzpatrick  
Assistant Principal
