

23rd June 2023

Re: Sixth Form Induction and Masterclasses

Dear Parent/Carer,

Further to your child's sixth form application, I am writing to inform you that our Sixth Form Induction Day will take place on the morning of Monday 3rd July from 9.30am to 12.00pm. During induction there will be a presentation that covers all aspects of the sixth form, along with an opportunity to meet our current Year 12 students, tour the school and visit the new Sixth Form Centre. For lunch, students can either bring a packed lunch or hot food will be available free of charge in the restaurant. If students are not involved in the afternoon masterclasses, they are free to leave at 12.00pm.

We will be running a series of masterclasses on the afternoon of Monday 3rd July and the morning of Tuesday 4th July (details below). These classes are available to all students who intend to study with us from September and are designed to support their transition into sixth form. The rooms will be confirmed at reception when they arrive in school on the day of the masterclass. Students attending a masterclass on Tuesday 4th July must arrive at 9:00am or 10:15am as they will not be admitted in between these times.

To register for Sixth Form Induction and the masterclasses, please can you and your child complete the MS Form below:

<https://forms.office.com/e/cpBjBQurV4>
