

7<sup>th</sup> June 2023

Dear Parents and Carers,

**Re: SEND Information Evening Thursday 15<sup>th</sup> June 4.30pm-6.00pm**

I am writing to inform you about an additional evening event in school for parents and carers of students with Special Educational Needs and Difficulties. This will be an opportunity for you to find out more about the ways in which we support our students with their education at Corby Technical School. You will hear from our SENDCo and Teaching and Learning lead and will have the opportunity to meet several members of our Teaching Assistant team. We will also welcome Dr Lawrence from the Brooke Weston Trust, who will be offering insight into the development programme that has been a priority for the Trust this year, and sharing more about the expertise we have welcomed into our staff training programme.

During the evening, you will have the opportunity to explore some of the school spaces used by students. For example, Mr Lee will be giving you a 'students' eye perspective' on a lesson, and we will walk through the Learning base, where the Teaching Assistant Team is based.

To ensure we are prepared for your attendance at this event, please can you book yourself a place via the Parents Evening booking system here.

If you have any further questions, please contact our SENDCo, Mr Toye via [enquiries@corbytechnicalschool.org](mailto:enquiries@corbytechnicalschool.org).

Yours sincerely,

Mrs A Reynolds  
Principal
