Year 10 June Mock Examinations

Dear Parents/Carers,

We have been delighted with how well students in Year 10 have been working and the commitment they are showing to their studies. Students have been completing assessments and NEA (previously known as coursework) and we are very proud with how well they are applying themselves.

As part of our ongoing assessment of pupils, we are now at the stage of further assessments in Year 10 with a full Mock Exam Programme to feed into our monitoring of progress and the next steps that need to be taken to ensure excellent outcomes for all pupils.

Pupils will be sitting assessments in nearly all subjects. These are outlined below and will occur as they would next summer.
