

8th December 2023

Dear Student,

Re: Examination Certificates

Certificates for examinations taken in June 2023 have now arrived at Corby Technical School and are available for collection.

You may call into school between the following time and dates to collect your certificates:

- Tuesday 19th December 3.30pm – 5.30pm
- Wednesday 20th December 10.30am – 12.30pm
- Thursday 21st December 10.30am – 12.30pm

If these times are not convenient please contact Mrs E Francois, Exams Officer at exams@corbytechnicalschool.org to arrange a time for collection, as certificates are kept under secure conditions we need to ensure that someone is available to access them. If you are not able to collect these in person, please email Mrs Francois advising who will collect and their relationship to you. If we do not have permission, we are not able to give the certificates to a family member.

I would like to take this opportunity to congratulate you on your grades and wish you every success in the future. These certificates are important documents and should be kept in a safe place as you will be required to produce them throughout your career

I would like to commend you for your resilience and perseverance during this most challenging of years, you have demonstrated the values and ethos of the school and I hope these qualities will stay with you as you take your next steps. At Corby Technical School we pride ourselves that the relationship between students and school does not end when students leave. It fills us with great pride when we hear of former student's successes and achievements and would value the talent, experiences and expertise that you can offer in supporting our staff and students.

We are always keen to hear how our students are getting on and I would encourage you to email the school at enquiries@corbytechnicalschool.org and tell us what you are doing now.

Yours sincerely,

Mrs A Reynolds
Principal
