Re: Year 11 November Assessments

Dear Parents/Carers,

We have been delighted with how well students in Year 11 have been working and the commitment they are showing to their studies. Students have been completing assessments and NEA (previously known as coursework) and we are very proud with how well they are applying themselves.

As part of our ongoing assessment of pupils, we are now at the stage of further assessments in Year 11 with an assessment programme to feed into our monitoring of progress and the next steps that need to be taken to ensure excellent outcomes for all students. Students will be sitting assessments in Maths, English and Science in the Sports hall. These are outlined below and will occur as they would next summer.

ASSESSMENT TIMETABLE

Date	Start	Subject	Duration
Monday 13th November	9.00am	English Language	1h 45m
Tuesday 14th November	9.00am	Biology: Triple & Combined	1h 45m/1h 10m
	1.15pm	Chemistry: Triple & Combined	1h 45m/1h 10m
Thursday 16th November	9.00am	Physics: Triple & Combined	1h 45m/1h 10m
	1.15pm	Maths Paper 1 (Non Calculator)	1h 30m
Friday 17th November	9.00am	English Literature	1h 45m
	1.15pm	Maths Paper 2	1h 30m
Monday 20th November	9.00am	Maths Paper 3	1h 30m

Please also be aware that students may also be carrying out assessments in their Option subjects during this period within the classroom. This will occur between November 13th and November 20th dependent on whether the subject is carrying out NEA (Coursework) in which case this subject may not be doing an exam style assessment at this point. We have updated our Year 11 Examinations [page](#) on the school website with the above timetable and additional revision support materials for each subject.
