

9th February 2024

Re: Prom 2024

Dear Parent/Carer,

Corby Technical School will celebrate Year 11 Prom on Thursday 27th June 2024 at the Manor Suite, Holiday Inn, Geddington Road, Corby. We are working extremely hard to ensure this will be a successful event and will be a celebration of student achievements over their time at the school. The purpose of this letter is to inform both you and the students of the requirements in order to attend. The following conditions have been agreed with Senior Management and will be fully communicated to the Prom Committee.

The following conditions will apply:

- We expect students to fully engage with their learning. Students will be expected to engage with requests for support with learning this year such as learning conferences and any intervention that is provided by school.
- Students must adhere to the school behaviour expectations. Incidents of a more serious nature, such as exclusions (internal or external) will not be tolerated, and this may result in a student not attending the Prom.
- We expect students to attend school regularly.

These conditions have taken effect and do not go beyond our typical school expectations, and therefore, they should not present a challenge for any student. As a school we will be looking forward to celebrating this event with all students who wish to attend.

The cost of the Prom will be £42 per student, which includes room hire, food and entertainment. All payments must be made via Wisepay. A non-refundable deposit of £25 is required to secure a place before Friday 29th March 2024 and a further payment of £17 before Friday 3rd May 2024. The time which the Prom will be held will be confirmed with you shortly. In the event of any students being excluded from attending the Prom, no refunds will be issued.

If you have any questions, please contact enquiries@corbytechnicalschool.org.

Yours sincerely,

Mr K Fitzpatrick
Assistant Principal
