Sixth Form – Corby Technical School

Dear Parents/Carers

I am delighted that your child has chosen to apply to Corby Technical School Sixth Form. To ensure they have made the correct subject combination choices and to help them focus on upcoming exams, each applicant has been scheduled a one-to-one appointment with a member of the Sixth Form team.

During the meeting we will discuss their future career aspirations and how their subject choices align with this, review current academic data and entry requirements for Corby Technical School Sixth Form and discuss any barriers they may be facing in meeting these entry requirements.

Each student has been informed of their meeting time and location, with all meetings taking place on Tuesday 16th April. If you could please support by ensuring your child is prepared for this discussion by having similar conversations at home, reviewing their most recent report with the student and taking a further look at our subject specific entry requirements found in our course brochure: [Corby Technical School - Subject Information](#).

Should you have any questions please do not hesitate to contact me via enquiries@corbytechnicalschool.org.

Many thanks for your ongoing support.

Yours sincerely,

Miss A Muckett
Associate Assistant Principal – Sixth Form
