Year 9 Options

Dear Parents/Carers,

I am writing to you as we approach the crucial stage of selecting GCSE options for your child, and to provide you with an update on our process and timeline.

First and foremost, I want to express our gratitude for your continued support and involvement in your child's education. We understand the significance of choosing the right GCSE subjects, and we are committed to guiding your child through this important decision-making process.

Currently, we are in the process of finalising the GCSE options available to Year 9 students. Our aim is to ensure that we offer a diverse range of subjects that cater to your child's interests, strengths, and future aspirations. We are carefully considering various factors, including curriculum requirements and student preferences.

In the coming weeks, we will be arranging individual meetings with each Year 9 student to discuss their GCSE options. These meetings will provide an opportunity for your child to ask questions and seek advice to ensure the choices are right.

Our goal is to have final decisions on GCSE options confirmed at the start of next term. This will allow us to allocate resources, assign teaching staff, and create personalized learning plans tailored to each student's chosen subjects. Please be assured, we are dedicated to ensuring that your child receives the necessary support and guidance throughout their GCSE journey.

If you have any questions or concerns regarding the GCSE options process, please do not hesitate to contact me via enquiries@corbytechnicalschool.org.

Thank you for your continued cooperation and understanding.

Yours sincerely

Mrs E Hopkins
Assistant Principal
