

7<sup>th</sup> June 2024

**Re: Year 11 Study Support**

Dear Parents/Carers,

As you will know, on Tuesday 11<sup>th</sup> June, there will be a leavers celebration for Year 11 and they will then be on examination leave from 12.30pm on that day. We are still keen to ensure that students are fully prepared for the remaining examinations. Therefore, we will be supporting students who wish to come into school by providing a space for them to work should they choose to come in. This will be in place between 9.10am and 3.00pm each school day between 13<sup>th</sup> June and 18<sup>th</sup> June 2024.

Additionally, the following sessions will be delivered by subject specialists to support in revision of content for these exams:

- Wednesday 12<sup>th</sup> June 11.30am to 1.00pm - Physics for Triple Science students
- Thursday 13<sup>th</sup> June 9.30am to 11.00am - Geography
- Thursday 13<sup>th</sup> 11.30am to 1.00pm - Physics for Combined Science students
- Monday 17<sup>th</sup> June 11.00am to 12.30pm - Design Technology
- Tuesday 18<sup>th</sup> June 11.30am to 1.00pm - Food Technology

On each occasion when students come into school for revision or examinations, they will need to sign in at reception and will be expected to be in full school uniform. If attending an intervention session students will be expected to remain in school for the entire session. Outside of these times, students may access the staffed revision area during the times shown above.

Finally, please be reminded that students all need to be available on 26<sup>th</sup> June as this is the exam contingency day and must be kept free.

Thank you once again for your support, we are incredibly proud of the way students have handled their exams and are looking forward to celebrating with them both on Tuesday, and at the Prom.

Yours sincerely,

Miss A Jenkins  
Senior Vice Principal
