RE: University of Bedfordshire BASES Experience Day

Dear Parent/Carer,

We have been able to secure the opportunity for a group of Year 11 Sports Science students to attend a BASES experience day at the University of Bedfordshire. The day will consist of workshops in Nutrition, Psychology and Injury Rehabilitation. These components will help them with their NEA coursework as well as their Exam towards the end of the year.

The trip will take place on Wednesday 16th October and there are 12 spaces available for this trip that will be allocated on a first come first served basis following completion of the consent form via Wisepay. The students attending will travel via school minibus and we will depart school at 7.30am, please ensure your child arrives no later than 7.20am. We will return to school at approximately 4.30pm. Students will need to bring their own lunch for the trip and they must attend in full Corby Technical School uniform. There is no cost to the trip.

If you would like your child to attend, please give your consent via Wisepay. Please ensure the form is submitted no later than **Monday 14th October 2024**.

If you have a query ahead of the trip please direct these to Mrs Horwood at enquiries@corbytechnicalschool.org.

Yours sincerely,

Mr K Fitzpatrick
Assistant Principal
